NEW PROJECTS ARE TAKEN UP

Year-Round Playground and Model Garden Plot Discussed

The principal business coming before the monthly meeting of the Calumet Playground Association in the J. M. C. A. lecture room yesterday afternoon was the completion of the arrangements for the benefit skating party to be conducted in the Colosseum Thursday evening. It was decided to introduce the evening's program with an exhibition of fancy skating by members of the Calumet and Houghton skating clubs, an exhibition which should provide a very interesting feature. The C. & H. band will render a chosen program of skating numbers and it is expected the event will prove one of the most enjoyable of the season. The sale of tickets indicates the attendance at the party will be large and warrants the hope that the proceeds will prove a valuable addition to the playground fund. The boys themselves are engaged in selling tickets for this party and a premium arrangement has been announced whereby the boy disposing of the greatest number of tickets over twenty will receive a cash prize. The Playground Association workers promise to provide a very enjoyable evening.

The question of engaging managers for the Laurium and Red Jacket playgrounds came up for consideration at the meeting yesterday but no definite action was taken. Several applications have been received and others are expected.

A communication received from the National Playground and Recreation Association of which Theodore Roosevelt is honorary president and the personnel of whose officers includes Jacob Rius, Harold P. McCormick, Giacomo T. Kirby and others of national prominence, was received and aroused considerable interest among the members. This association offers to assist Calumet in securing a year-round playground and recreation system. The association is ready to send a representative here to assist in raising funds for the playground work to be followed by a field secretary, who will assist the workers in planning the activities of the playground. By judicious planning it is contended the year-round recreation system would cost no more than a summer playground only.

The national association points to the playground movement as a powerful influence in overcoming juvenile delinquency, citing figures taken in Chicago which show that the amount of juvenile delinquency has decreased 25 and one-half per cent since the introduction of playgrounds, also the influence of the playground movement in overcoming vice of all forms which is undisputed.

The Calumet workers were very favorably impressed with this proposal to adopt the year-round playground system and will communicate for further information on the subject.

Another matter considered with the adoption this year of a garden playground, a little plot of ground where the natural interest of children in agricultural things may be fostered and encouraged under the guidance of experts. The children would be encouraged to plant garden truck, give it the proper attention and will be given a practical lesson in agriculture and botany. It is probable such a garden playground will be given attention here this year.

ARRIVALS OF THE STORK.
Births recently reported to Township Clerk George Martin are sons to Mr. and Mrs. Alfred Jacobson of 2413 "B" street, Mr. and Mrs. John Matheson of Copper City and daughters to Mr. and Mrs. August Carlson of Copper City and Mr. and Mrs. William Rickard of 3203 Ridge street. So far 42 births have been reported to Township Clerk Martig for the month of February.

GOLDEN EAGLES GATHER.
Officers of the grand castle of the knights of the Golden Eagle were last evening entertained at a social session and smoker by the members of the Grand Castle of Calumet. An informal program was carried out and the gathering proved a very pleasant one.

TO SEEK ANOTHER HOCKEY SERIES WITH HOUGHTON

CHAMPIONSHIP OF COPPER COUNTRY STILL MUCH MOOTED QUESTION.

The results of last evening's hockey contest between the Calumet and Portage Lake teams at the Amphidrome leaves the two teams tied for second place in the race of the Western division of the American Hockey association, each one half game behind the American Soo team which is in the lead. In the event that the league leaders win tonight's game with the Canadian Soo which seems more than likely in view of the fact it is to be played on the Michigan team's home ice, the Soo will win the championship and the right to compete with the winners of the eastern and central division for the national honors.

This result will leave the copper country championship a much mooted question, and the Calumet team has decided it will suggest a special series of two games with the Portage Lakes, one in the Amphidrome and the other in the Colosseum, to be decided upon total goals, upon the outcome of which the honors will be awarded. There is little doubt Portage Lake will consent to this arrangement and the fans will rejoice in an opportunity to see the two aggregations in additional contests.

In the event the Canadian Soo wins tonight, causing a three cornered tie for the honors of the western division some other arrangement will be necessary which will include the Soo as well as the copper country teams in the decisive games.

LOCAL BREVITIES.

Mrs. Thomas Willis left this afternoon for Iron Mountain where she will attend the funeral of Mrs. Frank Carbis, wife of Capt. Carbis, who died Sunday. The decedent was well known in Calumet having frequently visited Calumet.

Mr. and Mrs. August Warren have arrived home from a purchasing trip to Chicago and eastern cities.

Capacity crowds were in attendance at the Crown theater last evening to witness the performance of the boxing kangaroo, which was pitted against James Lean of Laurium and "Dummys" Melelelich of Calumet in two spirited contests.

R. B. Harris of Escanaba is a business visitor here.

H. B. Grant of the Norfolk-Western road and L. B. Poore of the Pennsylvania lines, both of Chicago, are business visitors here today.

Mrs. J. H. Allen has returned from Detroit, where she underwent a slight operation in Harper hospital.

Josh T. Daniel has gone to Pontiac, Detroit and other lower Michigan cities to visit.

Sidney Goodrich and Henry Giriz of Ishpeming were Calumet visitors today and yesterday.

Mr. and Mrs. John Kemp of Duluth are visiting Calumet and may decide to locate here.

Dr. and Mrs. C. H. Shelters of Laurium have returned from Virginia, Minn., and will resume their residence here.

Miss Fay Richardson of Milwaukee, niece of Mr. and Mrs. S. P. Loch is visiting in Calumet.

Crowds numbering 2,500 witnessed the presentation of the first series of Kathleen pictures at the Lyric theater of Laurium Sunday and Monday.

Malcolm MacLeod of Laurium departed this morning for Kincardine and other Canadian cities, where he will visit for the coming two weeks.

Henry White of Osceola departed this morning for Clayton, Wis., where he will assist the members of his family in closing up their affairs there and preparing to return to Osceola to resume their residence.

The Osceola township plow in charge of Overseer of Highways John H. Sullivan, went over the roads in this township today, putting them in first class condition.

C. & H. LEAGUE GAMES.

There will be four amateur hockey contests at the Colosseum this evening between teams in the Calumet and Hecla league. As these contests are always stubbornly contested it is anticipated there will be a good crowd present to watch the contests. The schedule is as follows:
Motive Power vs. Machinists.
Miners vs. Railroad Men.
Smiths vs. Supply Office team.
Electricians vs. Railroad Men.

WILL CONSIDER LIGHTING PLAN

Red Jacket Council Will Hold Regular Meeting Tonight

Residents of Red Jacket who recently petitioned the council to refrain from entering a long term contract with the Houghton County Electric Light company expressing the hope that before the expiration of such a contract some more favorable lighting proposal will be received by the village, have been invited to be present at this evening's regular meeting of the council to express their views at greater length and also to hear the council's view of the lighting contract situation, to the end that an agreement may be reached which will be satisfactory to the petitioning taxpayers as well as the most economical agreement from the standpoint of village finances.

The annual financial report of the village for the fiscal year ending March 1, will also be presented to the council at this gathering. The report shows the village's finances to be in excellent condition.

Interest in the approaching village election was increased today when a ticket was filed with Village Clerk Ellis bearing the nomination of Frank Johnson for the office of village treasurer in opposition to the candidacy of Jacob Kaiser, Sr., of the Nomination ticket. Today is the last day on which such tickets may be legally filed.

PRECINCT CAUCUSES WILL BE HELD EARLY THIS YEAR

OPPORTUNITY FOR BOTH NIGHT SHIFT AND DAY SHIFT TO ATTEND.

The Calumet township board at its regular meeting yesterday afternoon decided that the annual precinct caucuses would be held on the evening of March 24, in the respective precincts and the annual township convention will be held in the Washington school hall on the evening of March 27.

The board decided that this year's precinct caucuses will be held at 7 o'clock in the respective precincts, the early hour having been arranged to give both night shift and day shift men an opportunity to be present. As the night shift men do not go to work until 8 or 8:30 o'clock, they can easily attend the caucuses, assist in the selection of the delegates and then have sufficient time to reach their work at the close.

There will be no change in the number of delegates to which each precinct is entitled, the ratio being based on the votes cast for secretary of state in the last state election, which was prior to the last township convention and election. There will be eighty-five delegates in all.

The board decided to move precinct No. 7 from the Wickstrom building on Pine street to the store room of the Lakeside Floral company on Fifth street. The precinct caucuses will be held there as well as the sessions of the registration and election boards.

Only routine business came up for consideration at yesterday's meeting of the board. In addition to the business above referred to.

ENJOYABLE EVENING.

The members of the Missionary society of the Calumet Methodist church entertained the members of the Queen Esther society of the church last evening at the home of Mrs. Harry Hosking, Willow avenue. The program of the evening proved a very novel one and it was thoroughly enjoyed by all present. Luncheon was served.
